FACILITY

Levante Unión Deportiva, is a Spanish football club in Valencia. Founded on 9 September 1909, it plays in La Liga, holding home games at Ciutat de Valencia Stadium. The club have a tradition of developing some fantastic players. They have done this from their training facility known as The Buñol. The Buñol is based in the Valencia region just outside of the city centre and is fully equipped to support the production of players ready for La liga. Here football is a way of life. The passion and dedication for the game oozes out of the place. Levante UD boast a strong philosophy supported by some amazing coaches who live and breathe football. Your team will experience this first hand, along with much much more.

LEVANTE UD

Levante contest the Derbi Valenciana, also known as the Derbi del Turia or Derbi Valentino, with local rivals Valencia. The fixture has only been played 33 times competitively, however, with Valencia currently holding the title of most derby victories with 19 wins to Levante's 7 wins.

This is a compelling relationship between the 2 great clubs who share the same city and the same values. Because of this we have added a guided tour around Valencia's mestalla stadium to this package.
